e400 Locker

Urban Serie

SMART LOCKERS

Modular lockers with code locks

eos ibérica

Customisable / Indoor

YOU CAN CHOOSE BETWEEN STORING OBJECTS OR RECHARGING MOBILE PHONES. Small smart lockers with 12" or 19" touch screen, QR or DNIe.

The lockers can be of different sizes and can incorporate two types of locks: electronic IP lock, remotely interconnected; or lock with electronic coding, in which a manual code must be entered.

This terminal has a front opening, to facilitate the maintenance of the machine, in addition to all the customisation options, it can be personalised flat, printing directly on the front.
