INTERACTIVE KIOSK

eos ibérica

Indoor Kiosk Serie	Interactive multi-screen indoor information point	Customisable / **Indoor**

GREATER IMPACT in a reduced space without losing ergonomics and integration capacity.

Ergonomic multi-screen interaction kiosk, with a customisable structure to integrate a wide variety of components and LCD/LED panels, from 22" or 32" vertical or up to a double 19" horizontal screen, making it easy to adapt to different needs without losing visibility.

With this terminal it is possible to offer ticketing or self-payment services without renouncing either the advertising impact or the integration of all types of industrial components, such as ticket printers, card payment systems and all types of readers or dispensers. In addition, thanks to the customisation options, this machine is an excellent advertising tool, as it can combine digital and static content on vinyl.

PRODUCT PROFILE

Manufacturer: Grupo EOS Ibérica
Origin: Manufactured and assembled in Spain.

Production:
> 4 to 6 weeks (estimated time).
Material:
> 2 to 4 mm carbon steel sheet.
Flanges / interior fastenings:
> Galvanised and/or PVC.
Finish:
> High resistance epoxy paint.
Watertightness and sealing:
> IP42.
Dimensions:
> 1759x580x561mm
Structure weight:
70Kg.

Use:
> Indoor.

STANDARD SPECIFICATIONS

Display:
> 24/7 industrial LCD.
Screen resolution:
> 32", 16:9 (portrait).
Number of screens:
> 1.
Video output:
> HDMI, DVI, SVGA.
Screen protection:
> Vandal resistant glass 3+3 mm.

Accesses:
> 2 doors with security lock.
Connections:
> Internal terminal strip with I/O switch.

Structure colour:
> RAL: black/ 9003/ 9007 plain.

OPTIONAL COMPONENTS

Touch screen:
> IR 3mm or capacitive 6mm technology.
Fanless Industrial PC:
> Atom /Celeron/ i3/ i5/ i7.
Operating System:
> Android, Windows or Linux.
Multimedia:
> Speakers.
> WebCam
External Connections:
> RJ45/ IEC/ I/O switch / WiFi antenna.
Electrical panel:
> Terminal, circuit breaker and differential.
> Power supplies 5/12/24v.
Uninterruptible Power Supply System:
> UPS with 6 sockets.
Personalisation/Customisation:
> Cut vinyl/digital image.
> Airbrushing or multicolour Graffiti.
> RAL **Colour** customisation.

OPTIONAL ADAPTATIONS

Screen resolution:
> 2x19", 22", 16:9.
Screen layout:
> Horizontal or vertical (please consult).
