INFORMATION AND SECURITY TERMINAL

Mobile terminal with multi-person thermal camera

Customisable / **Indoor**

VISUALISE THE TRANSIT OF PEOPLE WHILE DETECTING THEIR BODY TEMPERATURE

The eMeasure is designed for security personnel at the entrance of public spaces such as: supermarkets, cinemas, theatres, museums, schools, public bodies, etc.

This mobile terminal is equipped with a group thermal camera (detects 30 people at the same time) and a screen to visualise the transit of individuals while taking their body temperature.

Its spectrum range can be extended by incorporating a "Black Body" device, useful for open spaces such as airports, train or bus stations, as well as universities and shopping centres.
