ePie Xtrem

URBAN FURNITURE
eos ibérica

Xtrem serie	Large format outdoor LCD structure	Customizable / Outdoor

DIGITAL SIGNAGE OR OUTDOOR ADVERTISING. Tailor-made structure depending on your location and the size of the monitor.

Fully customisable configuration depending on your location and with the option of two-sided viewing. Available in four monitor sizes: 43", 49", 55" and 65". It is designed to work 24 hours a day, 365 days a year, withstands low and high temperatures (-40ºC/+75ºC) and is water resistant.

Like other Xtrem Series products, it is manufactured to IP65* and IK10 specifications. It incorporates an intelligent air conditioning system that regulates the interior temperature and includes a low-reflection, high-transmission anti-vandal protection glass, an anti-fog system and anti-graffiti and anti-corrosion treatments. It also has an anchoring system to facilitate installation.
