eStop Printer Truck

INTERACTIVE KIOSK

eos ibérica

Outdoor Kiosk Serie	Automated terminals for trucks	Customisable / **Outdoor**

QUEUE-FREE ACCESS AND SELF-PAYMENT. Terminal designed specifically for lorries, heavy and high vehicles. It allows autonomous management and payment without the need to get out of the vehicle.

Its structure can house one or two panel screens of up to 17". It can also incorporate different peripherals such as webcam, A4 format printer, card reader or DNIe, adapting to the needs of each project.

It is available in any colour from the RAL range and can be adapted to the client's brand image by means of cut vinyl or digital image. The openwork front allows easy installation with the possibility of LED backlighting.
