INTERACTIVE KIOSK

eos ibérica

Outdoor Kiosk Series	Automated terminals for trucks	Customisable / **Outdoor**

QUEUE-FREE ACCESS AND SELF-PAYMENT. Terminal designed specifically for lorries and vehicles of great height. Allows autonomous management and payment without the need to get out of the vehicle.

Monocoque equipment which makes it resistant to extreme weather conditions. Designed to IP65* specifications, it has 3 rear doors, two for maintenance and one to facilitate anchoring to the ground.

In its structure it can house one or two 12.1" panel screens, providing it with ergonomics, or 17". It can also incorporate a webcam, ticket printer, card reader or DNIe, adapting to the needs of each project. It is available in any colour from the RAL range and can be adapted to the customer's brand image by means of cut vinyl or digital image.
