

Medical Serie

Disinfection point and fast temperature control

Customisable / Indoor

METAL STAND FOR AUTOMATIC GEL DISPENSER. This totem includes a digital thermometer for temperature measurement. It allows a quick temperature measurement without waiting and without delay.

Metal frame can be customised with cut vinyl, digital image or industrial paint in various RAL colours. It has a rear door for easy gel replacement.

Designed for teaching, the height of the eWasHands is adapted to the height of children and adolescents and its ergonomic inclination allows both students and teachers to easily access the gel dispenser and the thermometer to measure body temperature.
