

LOCKER - Series

Outdoor Key Collection and Drop-off Locker

APPLICATION NON KIOSK

LOCKERS EVERYWHERE. Designed for wall mounting, this type of smart locker is small enough to fit in the smallest of places.

They can be fitted with a 10" or 12" display. The lockers can be of different sizes and have IP65 protection against dust and water. They have IP electronic locks, which can be remotely interconnected.

Customisable in any colour, with plenty of space for branding. Designed for collecting keys in hotels or tourist flats, storing small objects or charging mobile phones.
