Versatile Multifunction Wall Terminal – Front Access

Indoor Kiosk

TECHNOLOGY ON THE WALL. The eMural allows information to be organised and displayed in an attractive and orderly way, like a notice board, as well as user interaction via touch screen or keyboard...

In the hall, at reception or at the entrance control. To identify oneself, register, read and answer communications... And without taking up space or design: with a depth of only 11 centimetres, the eMural adapts to any wall, displaying content with which the user can interact comfortably.

EOS Ibérica helps the customer to configure this kiosk by selecting the most suitable components: ID readers, ticket printers, keypad, digital signature, coin acceptor or webcams... In addition, the eMural can be customised in any colour of the RAL range and/or with cut vinyls, digital image and fretwork to adapt it to the customer's corporate image. The EOS marketing department will elaborate several aesthetic proposals for this durable and functional tool.

PROFILE PRODUCT

Manufacturer: Grupo EOS Ibérica
Origin: Manufactured and assembled in Spain
Production: 4 weeks

STANDARDS DESIGN

Protection Rating: > IK05
Sealing Rating : > IP44
Security Grade : > G01

MATERIALS – DIMENSIONS – WEIGHT

Material:
 > 1.5/5 mm carbon steel sheet
Flanges/Inner fastenings:
 > Galvanised sheet metal
Dimensions:
 > 800 x 550 x 110 mm
Structural weight:
 > 20 kg

STANDARD SPECIFICATIONS

Screens: 19" w 16:10
Format: Horizontal
Protection: 3+3 Anti-vandal Glass

ACCESS AND MAINTENANCE DOORS

Opening: Frontal
No. of doors: 1
Security Lock: 3 point

FINISH

Epoxy powder industrial paint

Structure colour **Standard front colour**
 Black textured or plain RAL 9003/9007 plain

Customisation: (Optional)
 Cut vinyl / Digital image

OPTIONAL COMPONENTS

Touch screen:
 > IR 3mm or Capacitive 6mm technology
Fanless Industrial PC:
 > Atom /Celeron, i3, i5, i7
Operating System:
 > Android, Windows or Linux
External connections:
 > RJ45/IEC/ I/O switch /Wifi antenna
Electrical panel:
 > Terminal, circuit breaker and differential
 > Power supplies 5/12/24v.
Uninterruptible Power Supply System:
 > UPS 6 sockets/15 min
Personalisation/Customisation:
 > Cut vinyl/digital image
 > Airbrushing or multicolour graffiti
 > Industrial Painting in various **RAL Colours**

OPTIONAL ADAPTATIONS

Screen resolution:
 > 19" (12" please enquire)
Screen layout:
 > Horizontal or vertical (please consult)
Ticketing:
 > 60mm or 80mm ticket printer
Readers:
 > Barcode / QR.
 > DNle
 > RFID / NFC
 > Fingerprint reader
Keyboard + Trackball Module:
 > Vandal-proof IP65 Extended Keyboard
