

ePad Floor

SECURED FLOOR-STANDING TABLET STAND

TABLET - Series

Secured Tablet Enclosure for Standing Use

TAKE KIOSK

VANDAL RESISTANT TABLET LOCKS. Versatile holder with lock and Kensington cable slot to protect your electronic tablet.

Frame made of ABS, with metal alloy front and support tube.

The height of the ePad Line Floor meets the requirements of the adaptability standard, and its ergonomic 45° inclination makes this tablet kiosk the best choice. It offers quick and easy assembly and installation. In addition, it is available in a variety of sizes so you can use virtually any tablet model.
