

TPV OUT - Series

Two-Sided Circular Monolith with Cash Secured in a Safe

Outdoor Kiosk

UNATTENDED PAYMENT. This totem allows cash and electronic payments. Very secure for cash payments, as the money goes directly into the terminal's safe, which is accessed through the front door.

The eAutopago Cash allows two-sided integration, giving 360° visibility. One of its main uses is unattended payment in service areas. Designed for outdoor use, it can be installed in any environment, even in extreme weather conditions.

It can integrate 12" high luminous LCD screens, and different payment systems such as card reader, PinPad, Contactless or banknote recycler. It is also possible to add other complements such as barcodes, QR, ticket printers, etc. It has plenty of space to customise according to the customer's corporate image or to use for advertising.

PROFILE PRODUCT

Manufacturer: Grupo EOS Ibérica
Origin: Manufactured and assembled in Spain
Production: 4 weeks

STANDARD SPECIFICATIONS

Screens: Single Screen - 12" 4:3
Format: Horizontal
Protection: 3+3 Anti-vandal Glass

OPTIONAL COMPONENTS

Touch screen:
> Capacitive technology 6 mm
Fanless Industrial PC:
> Atom /Celeron/ i3/ i5/ i7
Operating System:
> Android, Windows or Linux
Multimedia:
> Speakers
Electrical panel:
> Terminal block, circuit breaker and differential
> 5/12/24v power supplies
Uninterruptible Power Supply System:
> 6-socket UPS
Personalisation/Customisation:
> Cut vinyl/digital image
> Airbrushing or multicolour Graffiti
> Industrial paint in various **RAL Colours**

Approvals
>EN 61000-6-4:2007. Electromagnetic compatibility directive
>EN60950-1:2006. Electromagnetic Safety Directive
>ENV. Europay-Mastercard-Visa standard for IC cards
> EN60529:1991. Degree of protection IP54
Readers
> Barcode / QR
Ingenico, Verifone, Hypercom POS module:
> Card reader + PinPad + Contactless
Cash payment (Innovative):
> Pay Out Wallet
Cooling system:
> Forced ventilation

STANDARDS DESIGN

Protection Rating: > IK10
Sealing Rating : > IP65
Security Grade : > G04

ACCESS AND MAINTENANCE DOORS

Opening: Frontal
No. of doors: 4
Security Lock: 3 points

MATERIALS - DIMENSIONS - WEIGHT

Material:
> 1.5 / 5 mm steel sheet
Flanges/Inner fastenings:
> Galvanised sheet metal
Dimensions:
> 1928 x 809 x 592 mm
Structural weight:
> 90 kg aprox

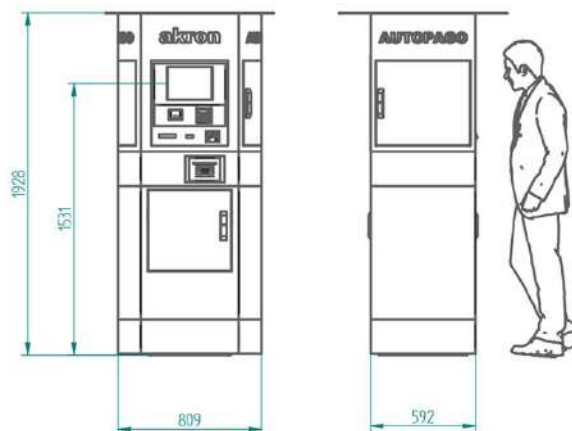

FINISH

Epoxy powder industrial paint
Structure colour
> RAL white 9003 plain 
Customisation: (Optional)
Cut vinyl / Digital image
