

SMARTCITIES - Series

Charging station trolley for laptops and/or tablets

APPLICATION NON KIOSK

STORAGE, SECURITY AND RECHARGING. The smart recharging cabinet is designed to hold 24 tablets or Chromebook-type laptops. While they are stored under lock and key, they are being recharged efficiently, taking up minimal space and using a single power outlet.

The trolley has four wheels, making it easy to transport and allowing it to be used in several classrooms. It also has two doors, one at the front that provides access to the charging and storage space for up to 24 iPads/tablets or laptops.

Available in any colour from the RAL range, it can be adapted to the customer's brand image with vinyl or digital images. The standard colours are black for the body, white for the doors and blue for the charging trays.

PRODUCT PROFILE

Manufacturer: Grupo EOS Ibérica
Origin: Manufactured and assembled in Spain
Production: 4 weeks

STANDARDS DESIGN

Protection Rating: > IK06
Sealing Rating : > IP54
Security Grade : > G02

MATERIALS – DIMENSIONS – WEIGHT

Material:
 > 1.5 / 5 mm carbon steel sheet
Flanges/Inner fastenings:
 > Galvanised sheet metal
Dimensions:
 > 360 x 600 x 973 mm
Structural weight:
 > 70 kg aprox

STANDARD SPECIFICATIONS

Screens: -
Format: -
Protection: -

ACCESS AND MAINTENANCE DOORS

Opening: Rear
No. of doors: 2
Security Lock: 3 points

FINISH

Epoxy powder industrial paint

Structure colour RAL Black 9004 **Front colour** RAL White 9003 **Interior colour** RAL Blue 5015

● ○ ●

Customisation: (Optional)
 > Cut vinyl/ Digital image

OPTIONAL COMPONENTS

Handle:
 > Handle for moving
Cooling system:
 > Extra ventilation
External connections:
 > RJ45/IEC/I/O switch/EU, UK, US
 > Customised power cable
Electrical panel:
 > Terminal block, circuit breaker and residual current device
 > 5/12/24 V power supplies
Uninterruptible Power Supply:
 > UPS with 6 sockets/15 min

OPTIONAL ADAPTATIONS

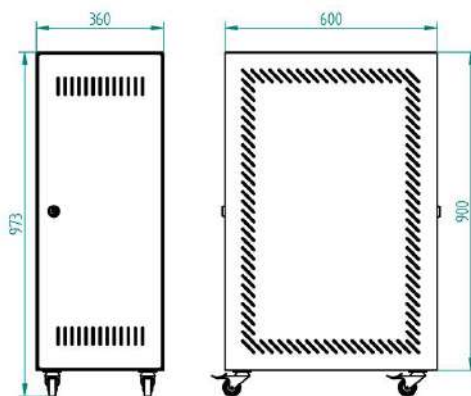

Size:
 > Load capacity
Cooling system:
 > Forced ventilation
Customised front with cut-out:
 > With or without LED backlighting
Customisation:
 > Cut vinyl/digital image
 > Airbrushing or multicolour graffiti
 > Industrial paint in various **RAL Colours**

PRODUCT VALUES

> Compact size
 > Safe and convenient loading
 > Vandal-proof protection
 > Easy to customise with digital images or cut vinyl decals
 > Configuration adaptable to requirements
 > Transport up to 200 units in a 40-foot container
